The **annual tuition fee**, regardless of the chosen payment plan, follows an '*all-inclusive*' policy and covers all educational activities, textbooks, and materials, as well as a full meal plan for the children. All listed fees include VAT.

The fees are offered on a **fixed-rate tuition plan**, guaranteeing the rate for the entire course of study at *LightHouse Kindergarten*, provided a long-term agreement for educational services is signed. However, the tuition rates cannot be guaranteed for one-year contracts.

The tuition fee **INCLUDES**: *daily meals; textbooks, materials, and supplies; holiday events; four educational half-day field trips (from September to June); and speech development screening (only for Bulgarian language native speakers)*. The tuition fee **DOES NOT INCLUDE** optional non-academic and academic services, such as *transportation; ski school; extracurricular activities; and optional field trips (held in July)*.

The tuition fee is calculated on an annual basis and is **not adjusted for absences**. Installments under *Payment Plan #2* do not represent monthly payments and are not based on the days the child attends. Therefore, the installments are due in full, even in case of absences.
